### **LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29, MALIBU EMERGENCY RELOCATION OF 6-INCH-DIAMETER WATER MAIN ON HUME ROAD AND CASTLEWOOD DRIVE**

On February 6, 2006, Geotechnical and Materials Engineering Division informed us that the 6-inch-diameter water main at Hume and Castlewood Drive, Malibu, was susceptible to failure due to land movement. Steve Bubalo Construction Company, Inc., was called to assist District staff to relocate approximately 1,900 feet of the water main to above ground. The work was completed on March 29, 2006, at an estimated cost of \$130,000.

Steve Bubalo Construction Company, Inc., is one of five as-needed, on-call emergency contractors with contracts approved by your Board on December 1, 2003. We committed to reporting to your Board all emergency repairs carried out under these contracts.
